

Washington County School Improvement Audit Report of Findings

School: Wallace Middle School

Date: 12-18-2008

Committee Chair: Belinda Mullins

Committee Vice-Chair: Janet Lester

Committee Clerk:

Team Members:

Jennifer Osborne
Pam Perrigan
Tracy Sproles
Beverley Fifer

Chastity McGlothlin
David Keith
Heather McCoy

Dana Mullins
Christina Musick
Ann Cunningham

Traveling the road of continuous improvement is how we work to provide the World's Best Education

Curriculum Alignment: Written			
Indicators	Significant Findings	AOS	AI
CA 1.1 Making curriculum resources and supplementary materials available for use by teachers			
CA 1.2 Establishing specific learning objectives that align with state learning standards and address essential understandings, knowledge, and skills	The School Improvement Plan reflects a focus on mathematics objectives.	✓	
CA 1.3 Listing instructional strategies and designing learning activities that align with state learning standards and address essential understandings, knowledge, and skills			
CA 1.4 Developing daily lesson plans that fit logically within the unit and within the context of the overall curriculum	Evidence of the Wallace Middle School Instructional Model is seen throughout the building.	✓	
CA 1.5 Using student performance data to develop daily lesson plans that reflect consideration of the learning strengths and needs of students			
CA 1.6 Evaluating the appropriateness of pacing and mapping regularly, and making appropriate adjustments	Washington County Public Schools regularly evaluate and update pacing guides.	✓	
CA 1.7 Analyzing the curriculum components across grade levels in like content areas to identify areas of strength and areas of weakness			

Curriculum Alignment: Taught			
Indicators	Significant Findings	AOS	AI
CA 2.1 Focusing instruction on specific learning objectives that promote the attainment of state learning standards and address essential understandings, knowledge, and skills	Classroom lesson plans reflect SOL objectives.	✓	
CA 2.2 Using available curriculum resources and supplementary materials appropriately to promote attainment of state learning standards			
CA 2.3 Presenting accurate knowledge through meaningful contexts and connected disciplines			
CA 2.4 Employing instructional strategies that are research-based and proven effective			
CA 2.5 Assigning projects and tasks that require students to integrate and apply their learning in meaningful contexts and to reflect on what they have learned	Faculty and staff are encouraged to provide a challenging curriculum to all students.		✓
CA 2.6 Providing students with learning experiences that engage them in active learning	There were classrooms observed that were engaging students in active learning. However, more active student engagement is encouraged.	✓	✓
CA 2.7 Differentiating instruction to meet the identified strengths and needs of individual students and groups of students	Strategies that reflect knowledge of individual differences and appropriate activities were observed. Faculty and staff are encouraged to provide more opportunities for student collaboration in a small group setting.	✓	✓
CA 2.8 Providing all students access to available materials, resources, and services to support learning			
CA 2.9 Providing teachers with feedback on the alignment of instruction to state learning standards and essential understandings, knowledge, and skills			
CA 2.10 Monitoring teacher implementation of the curriculum throughout the year			

Curriculum Alignment: Assessed			
Indicators	Significant Findings	AOS	AI
CA 3.1 Assessing student progress on a regular basis			
CA 3.2 Ensuring that assessments are aligned with state learning standards and essential understandings, knowledge, and skills			
CA 3.3 Providing opportunities for students to take tests that are similar in content and format to state assessments	Benchmark tests based on SOL format are given each 9 weeks.	✓	
CA 3.4 Using a variety of classroom-based assessment methods and tools (student self-evaluation, performance checklists, rubrics, scales, projects, products, tests, quizzes) before, during, and after units of study to monitor student progress	Observed use of bell ringer and closure activities, such as exit slips, provide students with summarization strategies.	✓	
CA 3.5 Providing assessments that require students to use knowledge, comprehension, application and reasoning skills			
CA 3.6 Periodically reporting student progress toward mastery of learning objectives to students and parents in a way that is clear and understandable			
CA 3.7 Monitoring the results of classroom-based assessments to ensure attainment of the knowledge and skills required for success on state assessments			

Professional Development: Organizational Development			
Indicators	Significant Findings	AOS	AI
PD 1.1 Designing an ongoing, school-based program of professional development that is based on the analyses of data and is aligned with the school's goals for improving student achievement			
PD 1.2 Basing professional development programs and activities on research-based principles and practices	Professional development opportunities need to be provided based on need identified through assessment of student achievement data.		✓
PD 1.3 Allocating resources to support the professional development program and ensure implementation of improvement initiatives			
PD 1.4 Focusing the core of staff learning on research-based content and instructional practices that have been proven effective in improving student achievement	The school is commended for their professional development plan that includes Marzano and literacy strategies.	✓	
PD 1.5 Identifying essential learning outcomes from professional development activities that will be used to change practice			
PD 1.6 Including theory, demonstration, practice with feedback, and coaching in the school's professional development programs and activities			
PD 1.7 Monitoring the degree to which new practices are implemented as prescribed			
PD 1.8 Determining the effect of changes in practice on student learning			

Professional Development: Personal Professional Growth & Evaluation			
Indicators	Significant Findings	AOS	AI
PD 2.1 Embedding professional growth and development into job performance expectations and the performance evaluation process			
PD 2.2 Analyzing data/evidence from a variety of relevant sources to identify goals for individual growth and development			
PD 2.3 Aligning plans for individual professional development with local improvement initiatives and with areas identified for individual growth			
PD 2.4 Connecting teachers' learning outcomes from professional development activities directly to their work in classrooms			
PD 2.5 Connecting teachers to external resources such as conferences, workshops, and support networks that align with the needs of individual teachers, departments/grade levels, or local improvement initiatives	Attention needs to be given to the transition of 5th to 6th and 8th to 9th in terms of homework and expectations through collaboration with feeder schools.		✓
PD 2.6 Providing opportunities for teachers to experiment, practice, and obtain feedback as they integrate newly learned skills into their repertoire of instructional practices	Ongoing professional development focusing on differentiated instruction strategies and their practice is in place.	✓	
PD 2.7 Regularly monitoring the progress of staff in achieving individual professional development goals			

Use of Time and School Scheduling: Instructional Time			
Indicators	Significant Findings	AOS	AI
TS 1.1 Basing decisions related to the pacing of the curriculum on state test blueprints and on student performance data			
TS 1.2 Arranging classroom instructional time to allow for variety of instructional activities			
TS 1.3 Organizing instruction and structuring lessons to maximize student time on task			
TS 1.4 Maintaining a high level of student engagement throughout the lesson			
TS 1.5 Using classroom instructional time to provide enrichment opportunities and support services to individuals and small groups based on students' identified strengths and needs			
TS 1.6 Establishing classroom routines that maximize the use of non-instructional time	Faculty and staff are commended for making maximum use of instructional time.		
TS 1.7 Establishing school-wide organizational practices that minimize unnecessary interruptions to instructional time			
TS 1.8 Regularly monitoring the use of instructional time in classrooms			

Use of Time and School Scheduling: School Scheduling Practices			
Indicators	Significant Findings	AOS	AI
<p>TS 2.1 Meeting SOA requirements for length of school year, length of school day, or number of hours of instruction in core areas</p> <p>a. Length of school year (180 days OR 990 hours grades 1-12; 540 hours kindergarten)</p> <p>b. Length of school day (5 hours; 3 hours minimum for kindergarten only)</p> <p>c. Number of hours of instruction in core areas (ES: 75% in 4 core areas; MS/HS: 140 clock hours OR 560 total in 4 core areas for grade 6)</p>			
<p>TS 2.2 Building schedules that are based on identified learning and instructional needs and support the implementation of improvement initiatives</p>			
<p>TS 2.3 Scheduling non-academic events to minimally impact instructional time</p>			
<p>TS 2.4 Allocating time in the schedule for teachers to collaborate with other teachers, parents and students</p>			
<p>TS 2.5 Establishing procedures and communicating expectations related to the allocation and use of time</p>			
<p>TS 2.6 Ensuring that the time allocated for specific activities is used to complete essential tasks according to established expectations</p>	Faculty and staff need to be mindful of the schedule and honor time allotted for exploratory and core classes.		✓
<p>TS 2.7 Utilizing a school schedule that is conducive to providing intervention and remediation strategies and programs within the school day</p>			
<p>TS 2.8 Allocating resources to extend learning time beyond the regular school day</p>			
<p>TS 2.9 Regularly monitoring the implementation of schedules and making adjustments, as needed, to maximize efficient use of time</p>			

Use of Data for Making Decisions: Instruction			
Indicators	Significant Findings	AOS	AI
D 1.1 Using data/evidence from multiple sources to plan instruction that promotes that attainment of state standards and essential understandings, knowledge, and skills			
D 1.2 Collecting, compiling, and analyzing data related to instructional practices to determine the degree of alignment with state learning standards and to identify professional development needs			
D 1.3 Sharing responsibility for collecting and compiling data related to instructional programs and services			
D 1.4 Sharing responsibility for analyzing data and making instructional decisions based on the results	The School Improvement Plan team needs to be more involved in the planning of school goals and objectives.		✓
D 1.5 Collecting and compiling individual student performance data to identify students' strengths and needs, plans instruction, and monitor individual student progress over time			
D 1.6 Using results of data analyses to design, monitor, and evaluate instructional programs, support services, and professional development activities			
D 1.7 Training staff in the processes and procedures for collecting and analyzing classroom-based, local, and state assessment data to make instructional decisions			

Use of Data for Making Decisions: School Improvement Planning			
Indicators	Significant Findings	AOS	AI
D 2.1 Compiling and using data/evidence from several sources to develop a profile of the school related to student performance			
D 2.2 Analyzing data/evidence related to the perceived limitations of instructional practices and organizational conditions to identify goals and objectives for school improvement planning			
D 2.3 Analyzing data over time to look for trends in student performance and to identify strengths and limitations of instructional programs and services			
D 2.4 Disaggregating state and local student performance data by appropriate subgroups of students to identify needs and monitor student progress			
D 2.5 Collecting and analyzing data/evidence on a regular, periodic basis to monitor plan implementation and to evaluate improvements over time	Faculty and staff continue to focus on SOLS and use data to drive instruction.	✓	
D 2.6 Making data relevant to the implementation of school improvement strategies and initiatives available and accessible to staff			
D 2.7 Training staff in collecting and analyzing data to identify relevant goals and objectives for school improvement planning and to monitor the plan's implementation and evaluate improvements over time			

Comments

The committee enjoyed their visit to Wallace Middle School on December 8, 2008. In addition to the areas of strength and areas of needed improvement listed above, the committee makes the following comments:

Areas of Commendation:

1. The facility and grounds were aesthetically pleasing and conducive to learning.
2. Faculty, staff and students exhibited pride in their school.
3. Strong student/teacher relationships are evident.
4. Many opportunities for student recognition were observed.
5. The faculty and staff utilized technology effectively and a wide variety of technology is available to them.

Areas of Improvement:

1. The use of differentiated instruction strategies needs to be improved to include below level and above level students. Development of lessons to include all levels of learners should be emphasized.
