

Publishing

All students need an audience! The sharing, showing off, and publishing gives students a chance to use their written words to communicate meaning to others. Publishing a written piece motivates students to write for authentic reasons, rather than writing just for the teacher.

There are several ways to publish writing examples.

- ◆ Word processed pieces (stories, compositions, reports)
- ◆ Individual books
- ◆ Multimedia presentations
- ◆ World Wide Web publishing
- ◆ Electronic books
- ◆ Concept maps
- ◆ E-mail
- ◆ Cards
- ◆ Flyers
- ◆ Brochures
- ◆ Big books
- ◆ Letters
- ◆ Class books

Celebrations/Sharing with Audience

- ◆ Author's Chair
- ◆ Author's Tea
- ◆ Sharing original books with Book Buddies
- ◆ Publication on the World Wide Web
- ◆ Literacy Fair
