

**ANNUAL SCHOOL EVALUATION**  
Greendale Elementary School  
2011-2012

Greendale Elementary presented a Comprehensive Plan for school improvement as it relates to Washington County Schools Comprehensive Plan. The objectives for the 2011-2012 School year included the following: (1) to continue to increase student achievement in language arts, technology and mathematics ; (2) to improve parental communication, interaction, and collaboration between home and school; (3) to engage students in meaningful curricular content through the purposeful and effective use of technology. Greendale Elementary incorporated a larger block of Language Arts time within their schedule and true flexible grouping is occurring where students change groups on an as needed basis. There has been a lot of success in the systematic phonics/phonemic awareness strategies. Since math scores dropped there is now more emphasis placed on spiraling review and review of math facts. For communication improvement student planners are sent home daily by teachers. There was an emphasis on technology as a tool to produce products but this needs to improve for the future.

The administration and staff of Greendale Elementary School are to be commended for their work in meeting the 2011-2012 goals. Their scores dropped somewhat but they remain fully accredited by the Commonwealth of Virginia and continue to meet AMO standards and requirements. The goals for the 2012-2013 school year are the following: (1) to increase student achievement in the area of mathematics as defined by the new math standards, to engage students in meaningful curricular content through the purposeful and effective use of technology, and to provide meaningful and consistent vocabulary instruction in both content and assessment across all grade levels of Language Art and Math and engage them with the use of technology. In doing so, they will build the foundation of future success for their students. The ultimate goal of the staff at Greendale is to meet the individual needs of each student.

**CURRICULUM & INSTRUCTION**  
**Greendale Elementary School**  
**2011-2012**

- Accreditation Status:

- Greendale Elementary will remain a fully accredited school.
- Greendale Elementary has achieved an accreditation pass rate of over 70% in all 6 core areas, and meets or exceeds the state benchmarks in all 6 reporting categories. In addition, Greendale Elementary received recognition for the 2010 and 2012 Governor’s Award for Educational Excellence, and the Distinguished Title I School Award in 2005, 2006, 2008, 2009, 2010, and 2011. SOL scores are as follows:

<b>Third Grade</b>		<b>Fourth Grade</b>		<b>Fifth Grade</b>	
English	90%	English	97%	English	97%
Math	83%	Math	90%	Math	89%
History	96%	VA Studies	96%	History	88%
Science	98%			Writing	88%
				Science	100%

- Greendale Elementary School Improvement Plan focused on student success in social sciences, language arts, and mathematics. Student progress was analyzed using SOL test results, Accelerated Math and Accelerated Reader diagnostic reports, PALS, QRI, Observation Survey, and county benchmark results for instruction and remediation purposes. Three tutors were utilized daily throughout the school year in grades 2-5 to provide intensive remedial instruction. In addition, SOL Pass, Exam View, Math Facts in a Flash, Versatiles, and Quia test review programs for math and reading (3-5) were utilized in grades 2-5.

- Career and Technical Education:

- Career and technical education was emphasized through guidance instruction, community field trips, assembly programs and speakers, e.g., Fire Department; Sheriff’s Office; Deni Peterson, Appalachian Sustainable Development; Katie Justice, Family Life Education

- Fine Arts and Physical Well-Being of Students:

- A 40-minute activity period accommodates students for music, art, and physical education (twice per week); in addition to daily recess.
- Formation of a school-wide Relay for Life Team, sponsored by the American Cancer Society. GES also participated in Hoops for Heart by the American Heart Association.
- The physical education teacher sponsored field day with an “Earth Day” theme.
- Zumba classes were taught during P.E. classes.
- The art teacher displayed student work at The Arts Depot.

- Special-Needs Students:
  - During the 2010-2011 school year, Greendale Elementary conducted child study meetings to determine student eligibility for special services. The school also continued a K-5 inclusion program.
  - Special-needs students received services from the reading specialist.
  - Math and reading tutors worked with special-needs students.
  - An RTI committee was implemented (REACH).
  
- Gifted Program:
  - Weekly programs and monthly field trips were planned for students in grades one through five, who had been identified as Gifted according to the division wide assessment process.
  - Students participated in the County-wide Spelling Bee.

**DATA ASSESSMENT**  
Greendale Elementary School  
2011-2012

- Staff Development for Analyzing Collected Data:
  - The ITRT provides ongoing staff training in analyzing SOL and benchmark data.
  - PALS, Reading Recovery Observation Survey, Benchmark results, Qualitative Reading Inventory, CTOPP, and STAR results were analyzed to determine the needs of individual students. Remediation services were planned accordingly. Students falling below the benchmark received intensive instruction by the assigned remediation teacher, i.e. Kindergarten Intervention, Reading Recovery, Reading Specialist, math/language arts tutors, and Resource.
  - Accelerated Math Diagnostic Reports were used to determine levels of instruction and remediation. Math Facts in a Flash program was utilized to determine mastery of basic facts in addition, subtraction, multiplication and division.
  - SOL Pass was utilized by grades 3-5
  
- School Improvement Plans:
  - Examination of Benchmark and SOL data led to the development of a school improvement plan.
  - The school continues focusing on student success in mathematics, language arts, and the social sciences.
  
- Meets or Exceeds SACS/CASI Standards:
  - Greendale Elementary met or exceeded all SACS/CASI standards as reflected by the annual school division report.
  
- Data Assessment and Revision:
  - Grade level meetings were held on a weekly basis to discuss student achievement.
  - The ITRT developed a benchmark template for teachers in grades 2-5 for data analysis.

## **OPERATIONS & FACILITIES**

### **Greendale Elementary School**
