

CURRICULUM AND INSTRUCTION  
Abingdon High School  
2013-2014

For the 2013-14 school year, a third goal for Abingdon High School concentrated providing professional development within the building. This goal and indicators are outlined as follows:

**OBJECTIVE:** Provide opportunities for activities that enhance the development of the whole child through character education.

Indicators

- Competencies in the areas of sequential course development were shown.
- The number of students who met credential and completer status was increased.
- All three business teachers were awarded the Gold Star Teacher Award for their students' performances on the "w!se's Financial Literacy Certification Test."
- Career and Technical Education credentials earned by AHS students increase significantly from the previous year.
- Teachers were commended and received recognition for their efforts in the above achievements.

ENHANCE THE DEVELOPMENT OF THE WHOLE CHILD  
Abingdon High School  
2013-2014

The third category selected from the Comprehensive Plan and incorporated into the School Improvement Plan for the 2013-14 school year includes the following:

**OBJECTIVE:** Provide opportunities for activities that enhance the development of the whole child through character education.

Indicators

- Special recognition was made of those who go above and beyond in their service to the community.
- A Student of the Month was named and recognized for “Good Deeds,” co-sponsored by community business and the local radio station.
- Students participated in the Washington County Community Scholar Program with increased numbers over the previous year.
- Various clubs performed service duties and projects for those in need in the community, as well as other nationally acclaimed programs, e.g., Samaritan’s Purse and impoverished children in foreign countries.
- Students were given leadership roles on the SCA and the School Improvement Committee which was beneficial for the school and the students.
